# Walkabout Carriers

Carriers for Electronic Musical Instruments (EMIs)

Electronic Percussion

DJ, EDM Controllers

Keyboards & Synths

***Wear your controller and be FREE to move!***

We live in a battery powered, wireless world. It's time EMIs catch up.

***"Get moving... Go Walkabout!"***

## The Problem:

Electronic musicians feel stuck

Stranded behind the stands

Limited or no movement

Little interaction with audience

Guitar strap won't work

## The Solution:

Complete FREEDOM of mobility!

Light weight, ergonomic, comfy AF

Rugged design, hands free stability

Designed specifically for EMI's

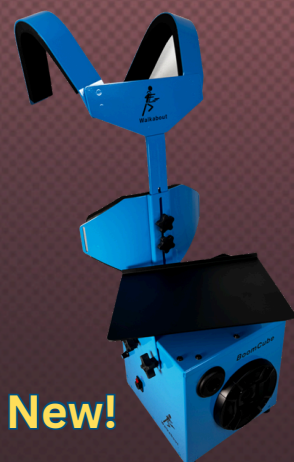

Use with **ANY** EMI, or controller

**Join us on the Red Carpet  
at booth #9910**

***"Everyone's a V.I.P."***

**Experience our latest innovations!**

**It's gonna be a VIBE!**

**New!**

The "BoomCube"  
Street Amp
